# *Living*

With all the work and study of school, students still find time to enjoy the lighter side of life - whether it be showing their spirit, cutting up in the lunchroom, testing a new style, or adding to the topping of the Homecoming Victory Cake.

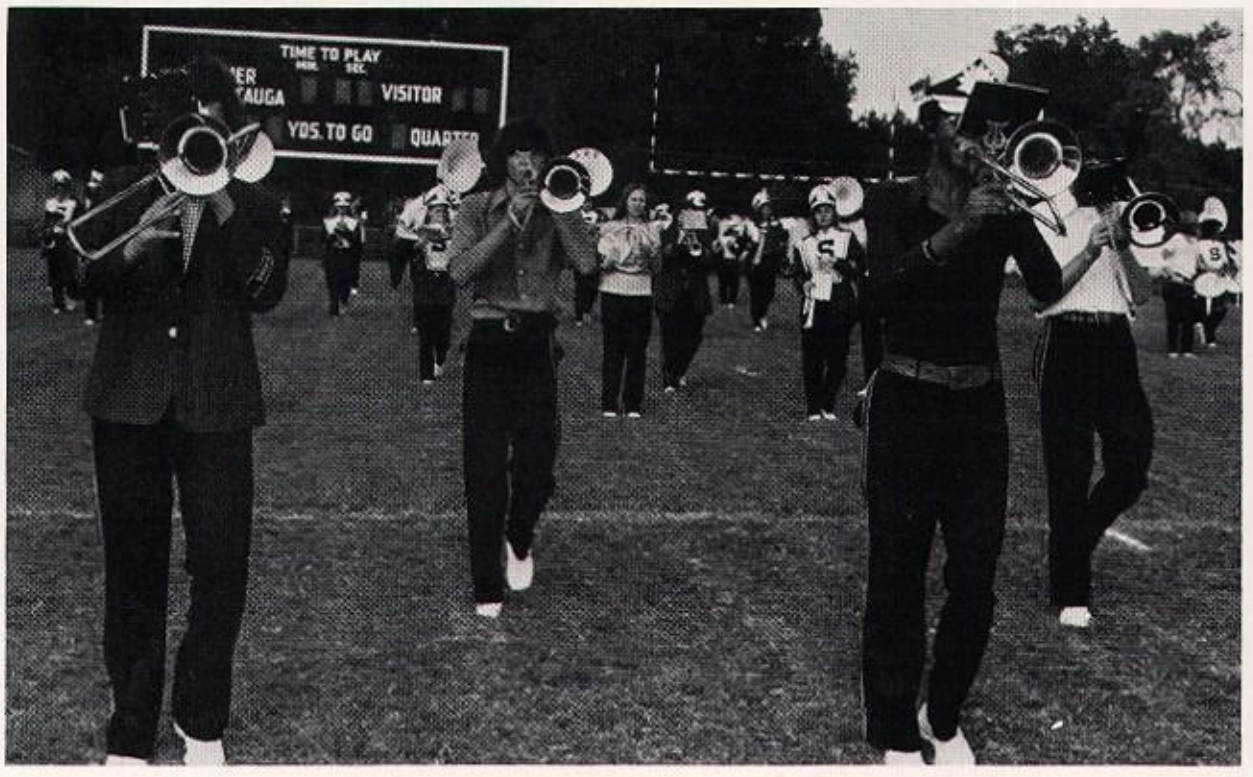
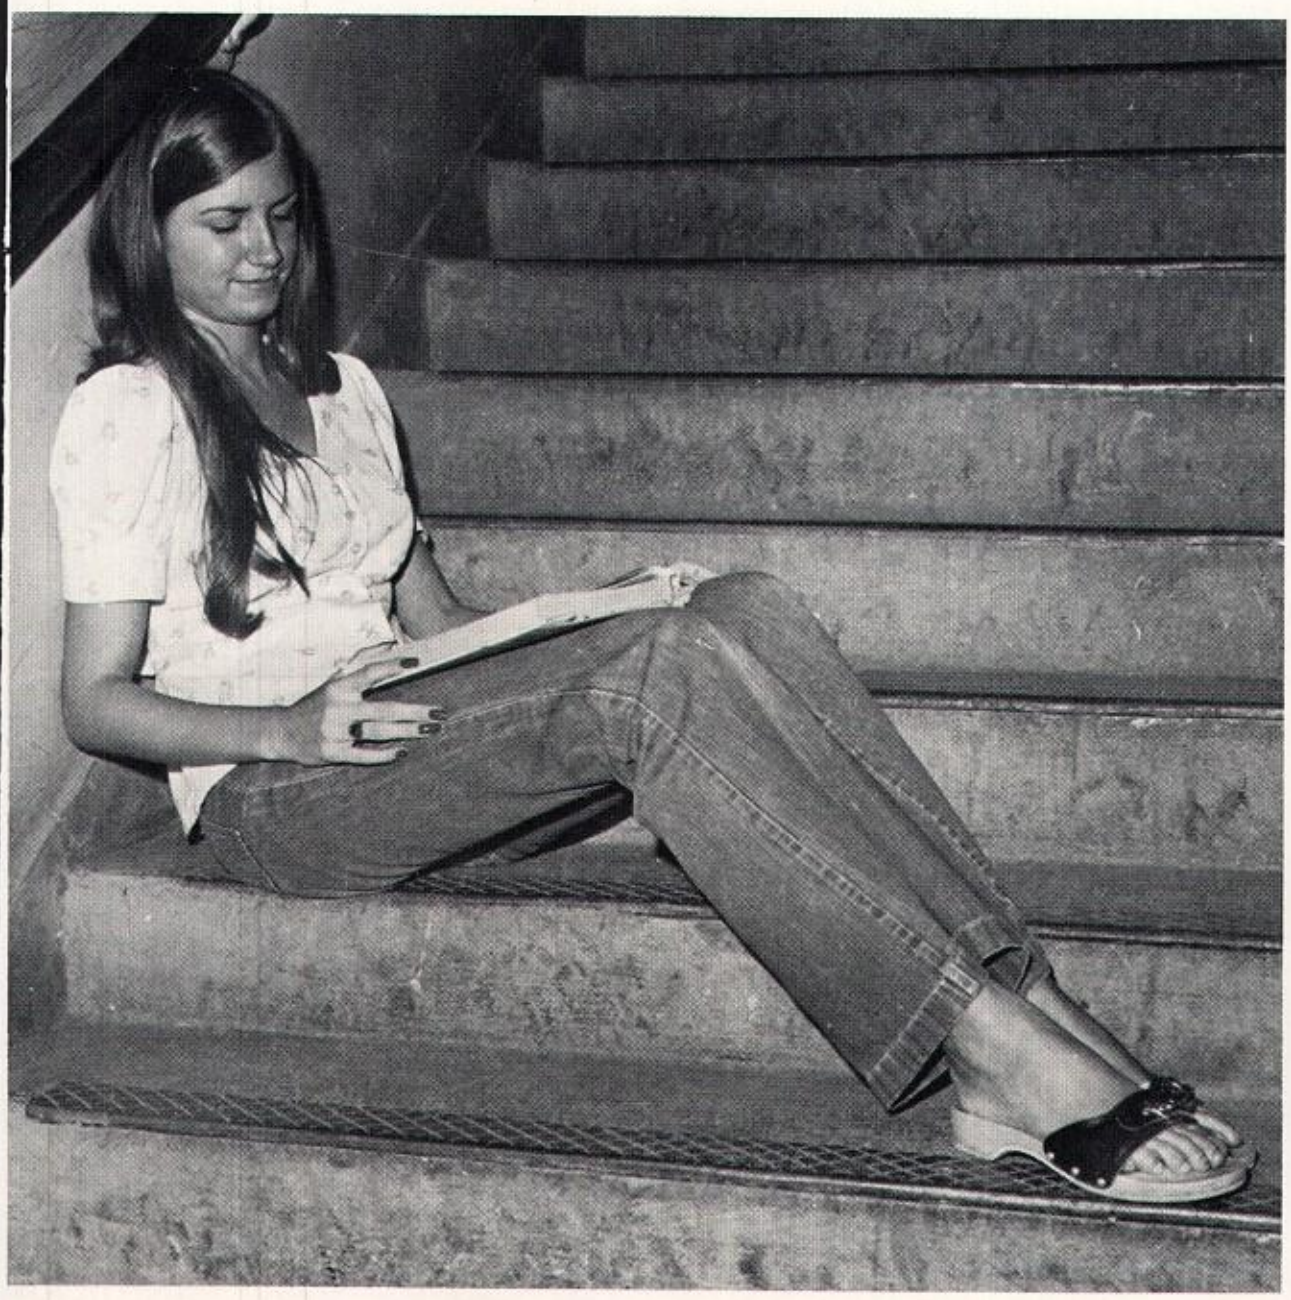
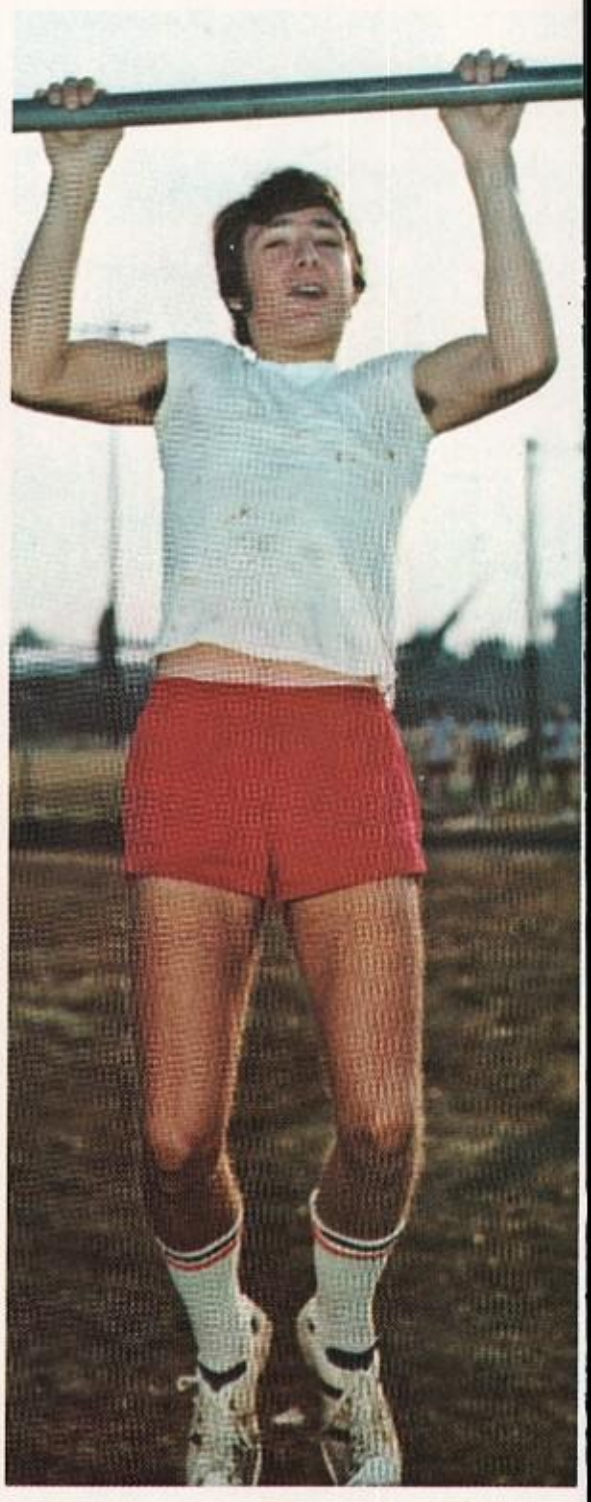
# *Preparing*



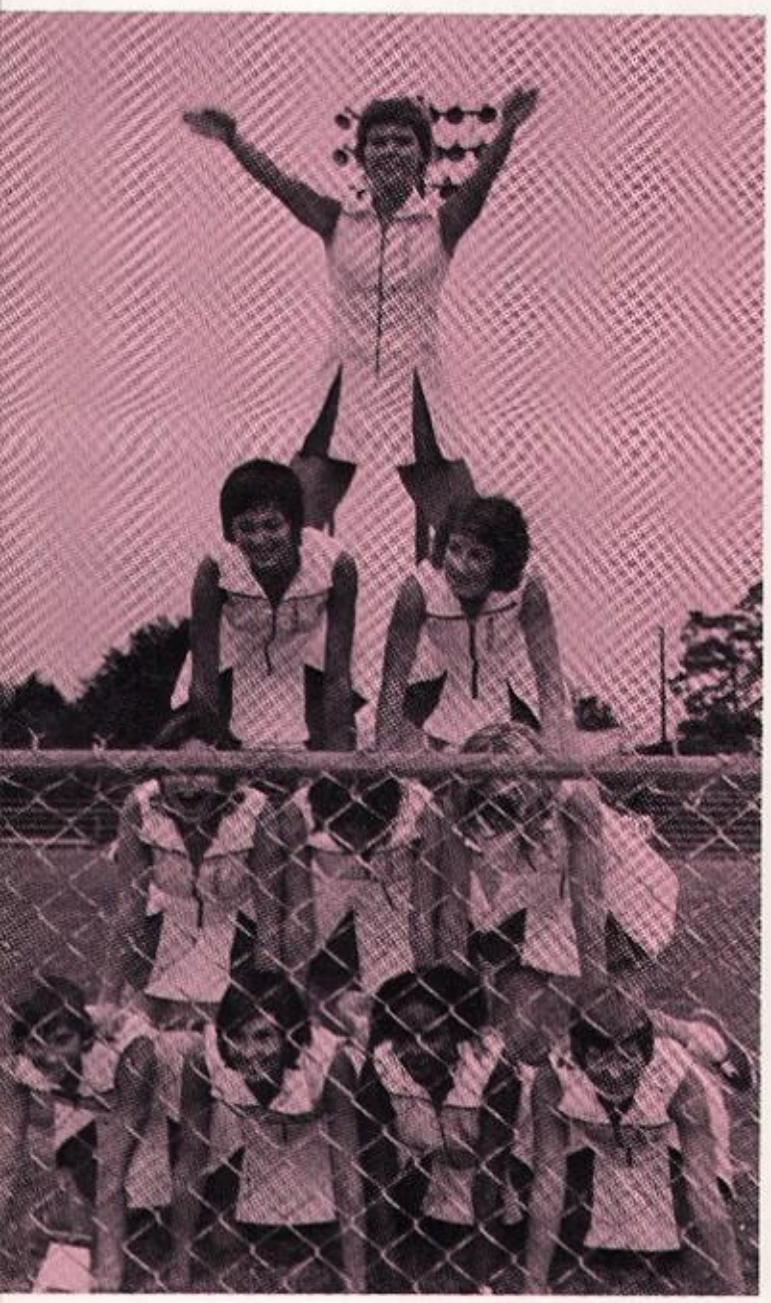
to work toward future goals - in society, on the football field, or in school.

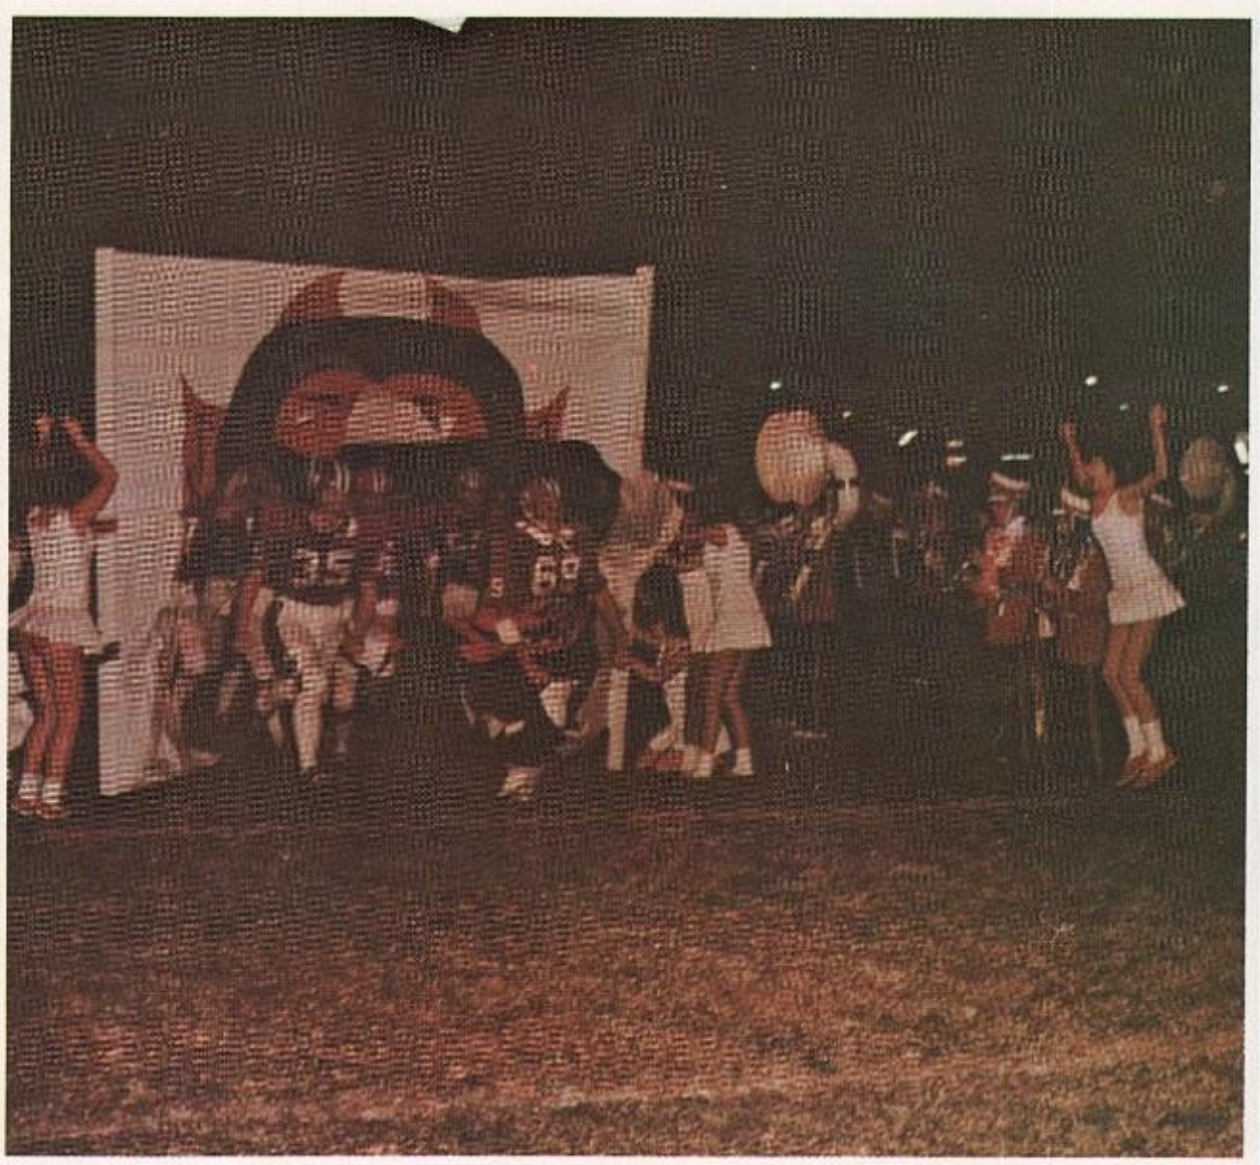


# *Daring*



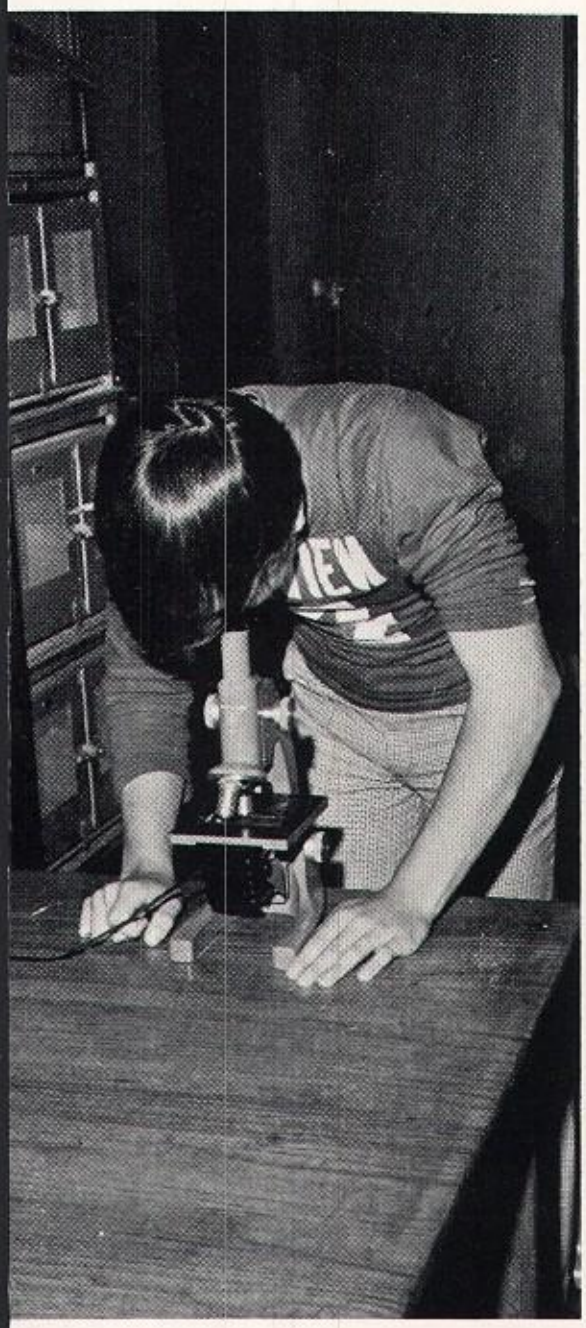
to meet everyday challenges, to unite school spirit, to organize team effort, to dare to prove you're the best, and to do the things which couldn't be done.





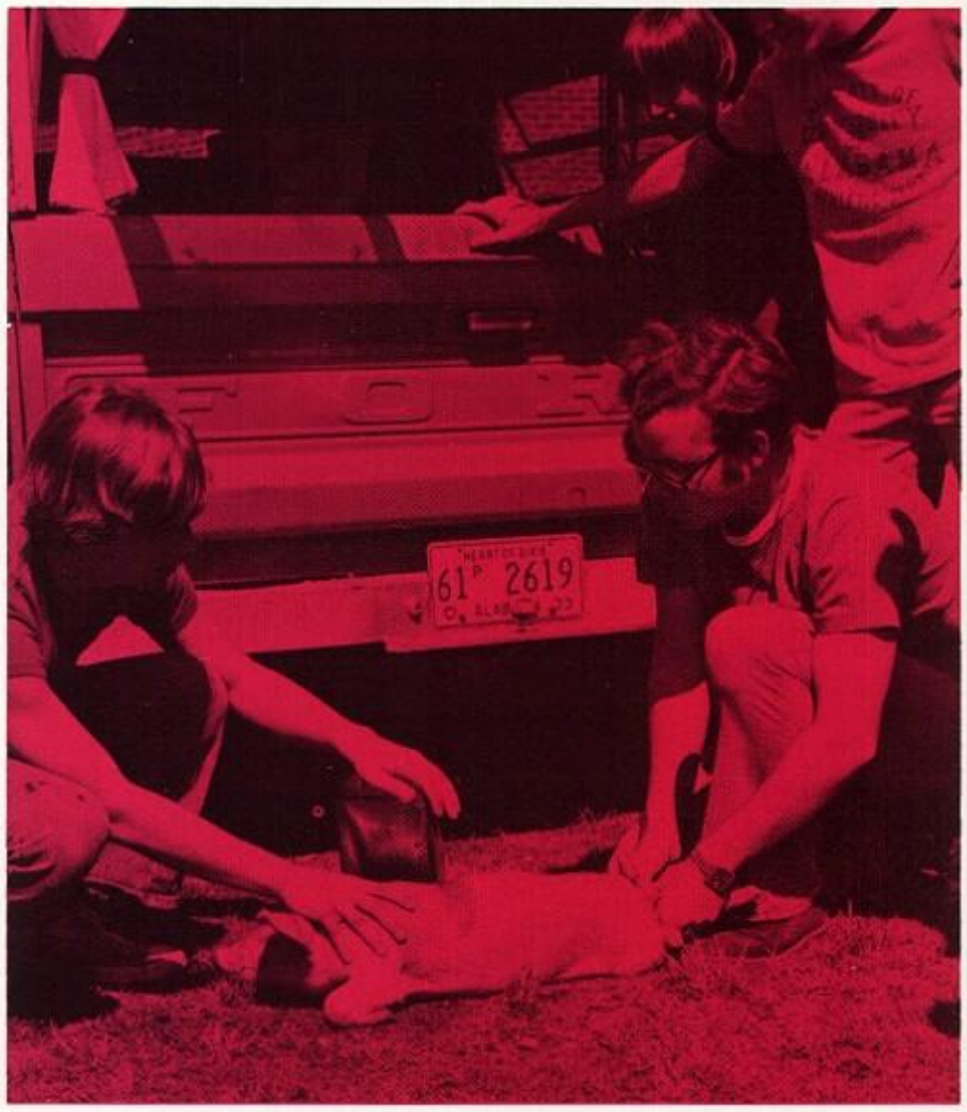
MR JOHN F CARTER
PRINCIPAL

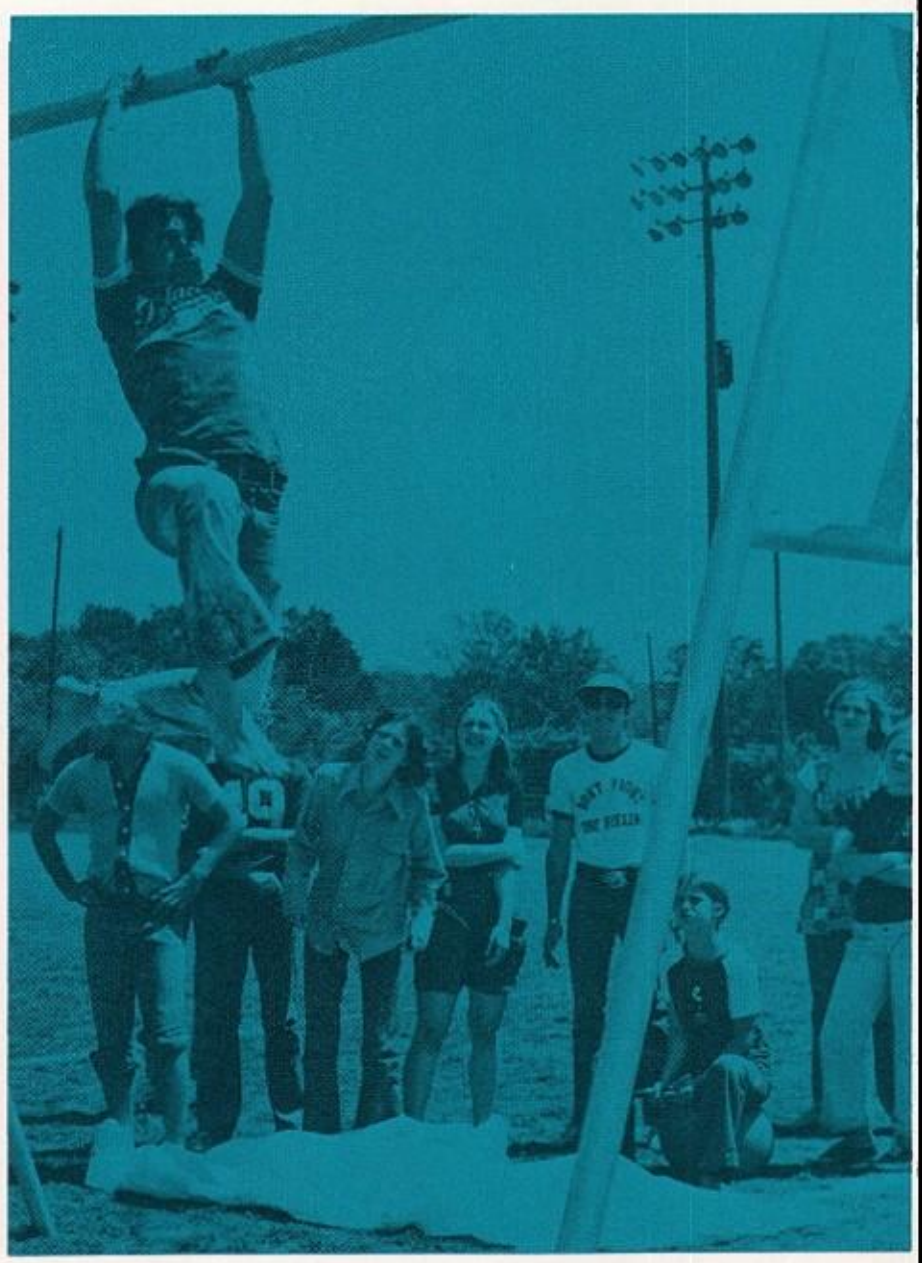
# *Expanding*

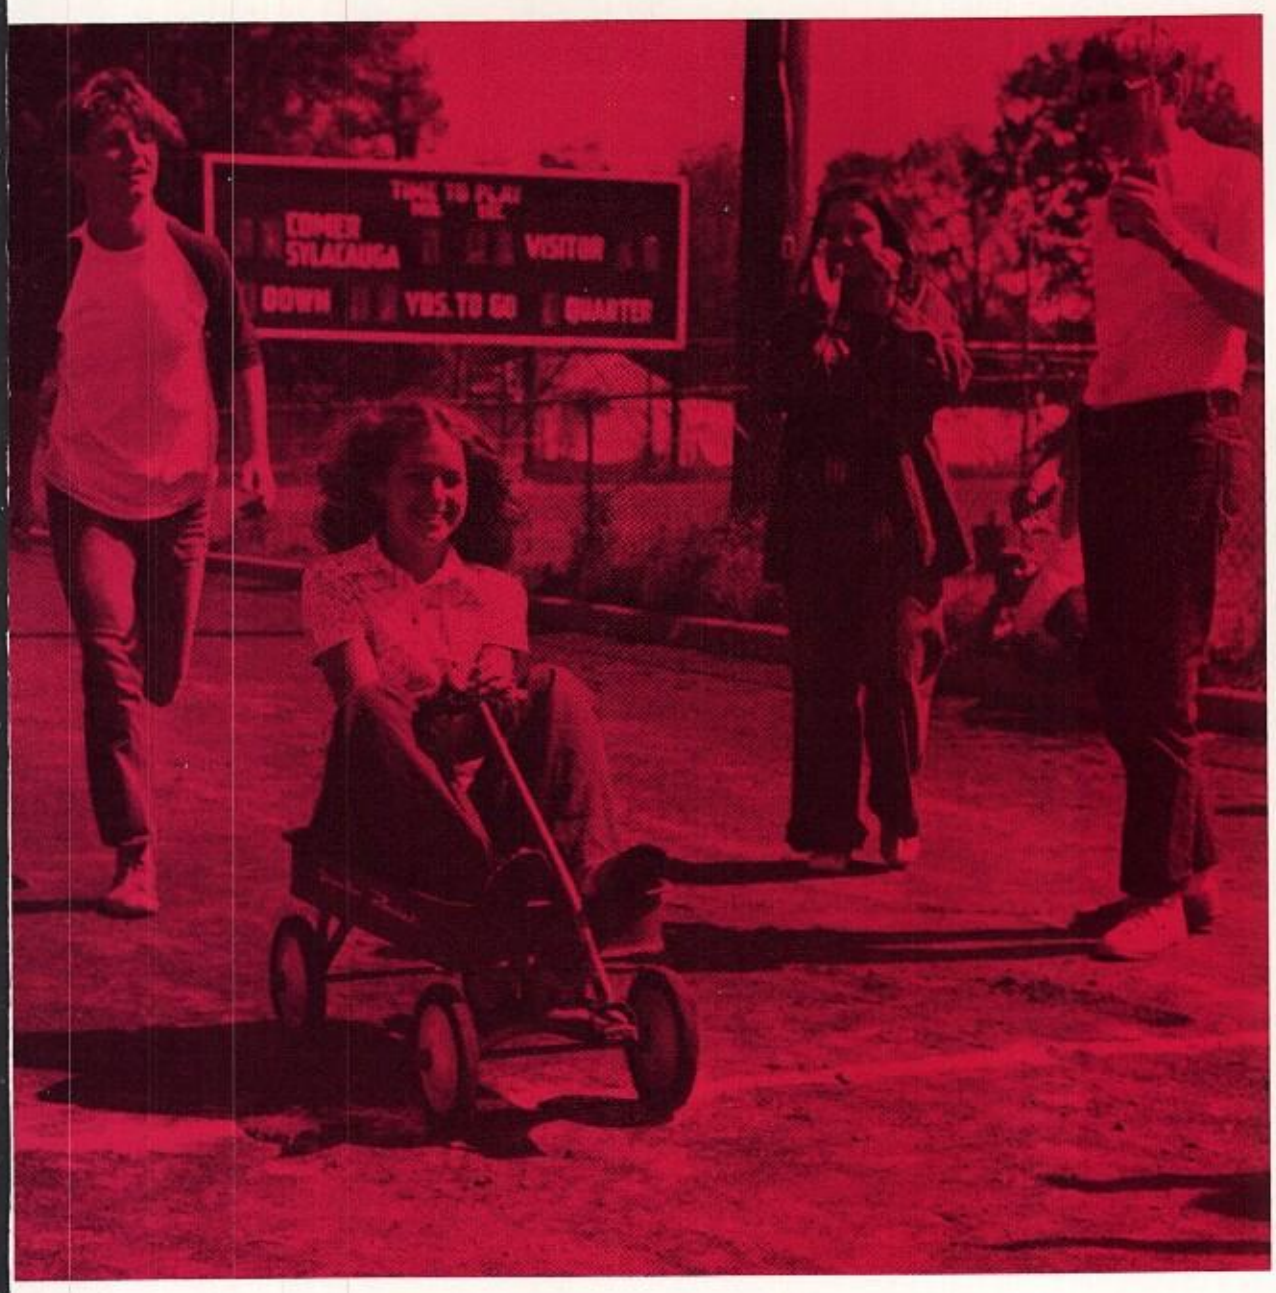


With the school undergoing a major facelift, we found ourselves in a strange situation, but the last minute research, lab work, and musical training - the entire learning process - continued.

# *Concerned*







Today's SHS students are a new breed. They are aware of the state the earth is in and are concerned enough to try to change it. Along came May Day and Earth Day, a one-day-all-out protest to bring the entire city's attention to the rising pollution crises.

# *Dedication*

The Senior Class is honored to dedicate the 1974 SYHISCAN to a man who has earned a place in the hearts of the tudents of Sylacauga High School. Not only is he a special teacher, but also, a special friend to all. It is with love nd appreciation that we dedicate the 1974 SYHISCAN to Mr. Joe Neal Roper.

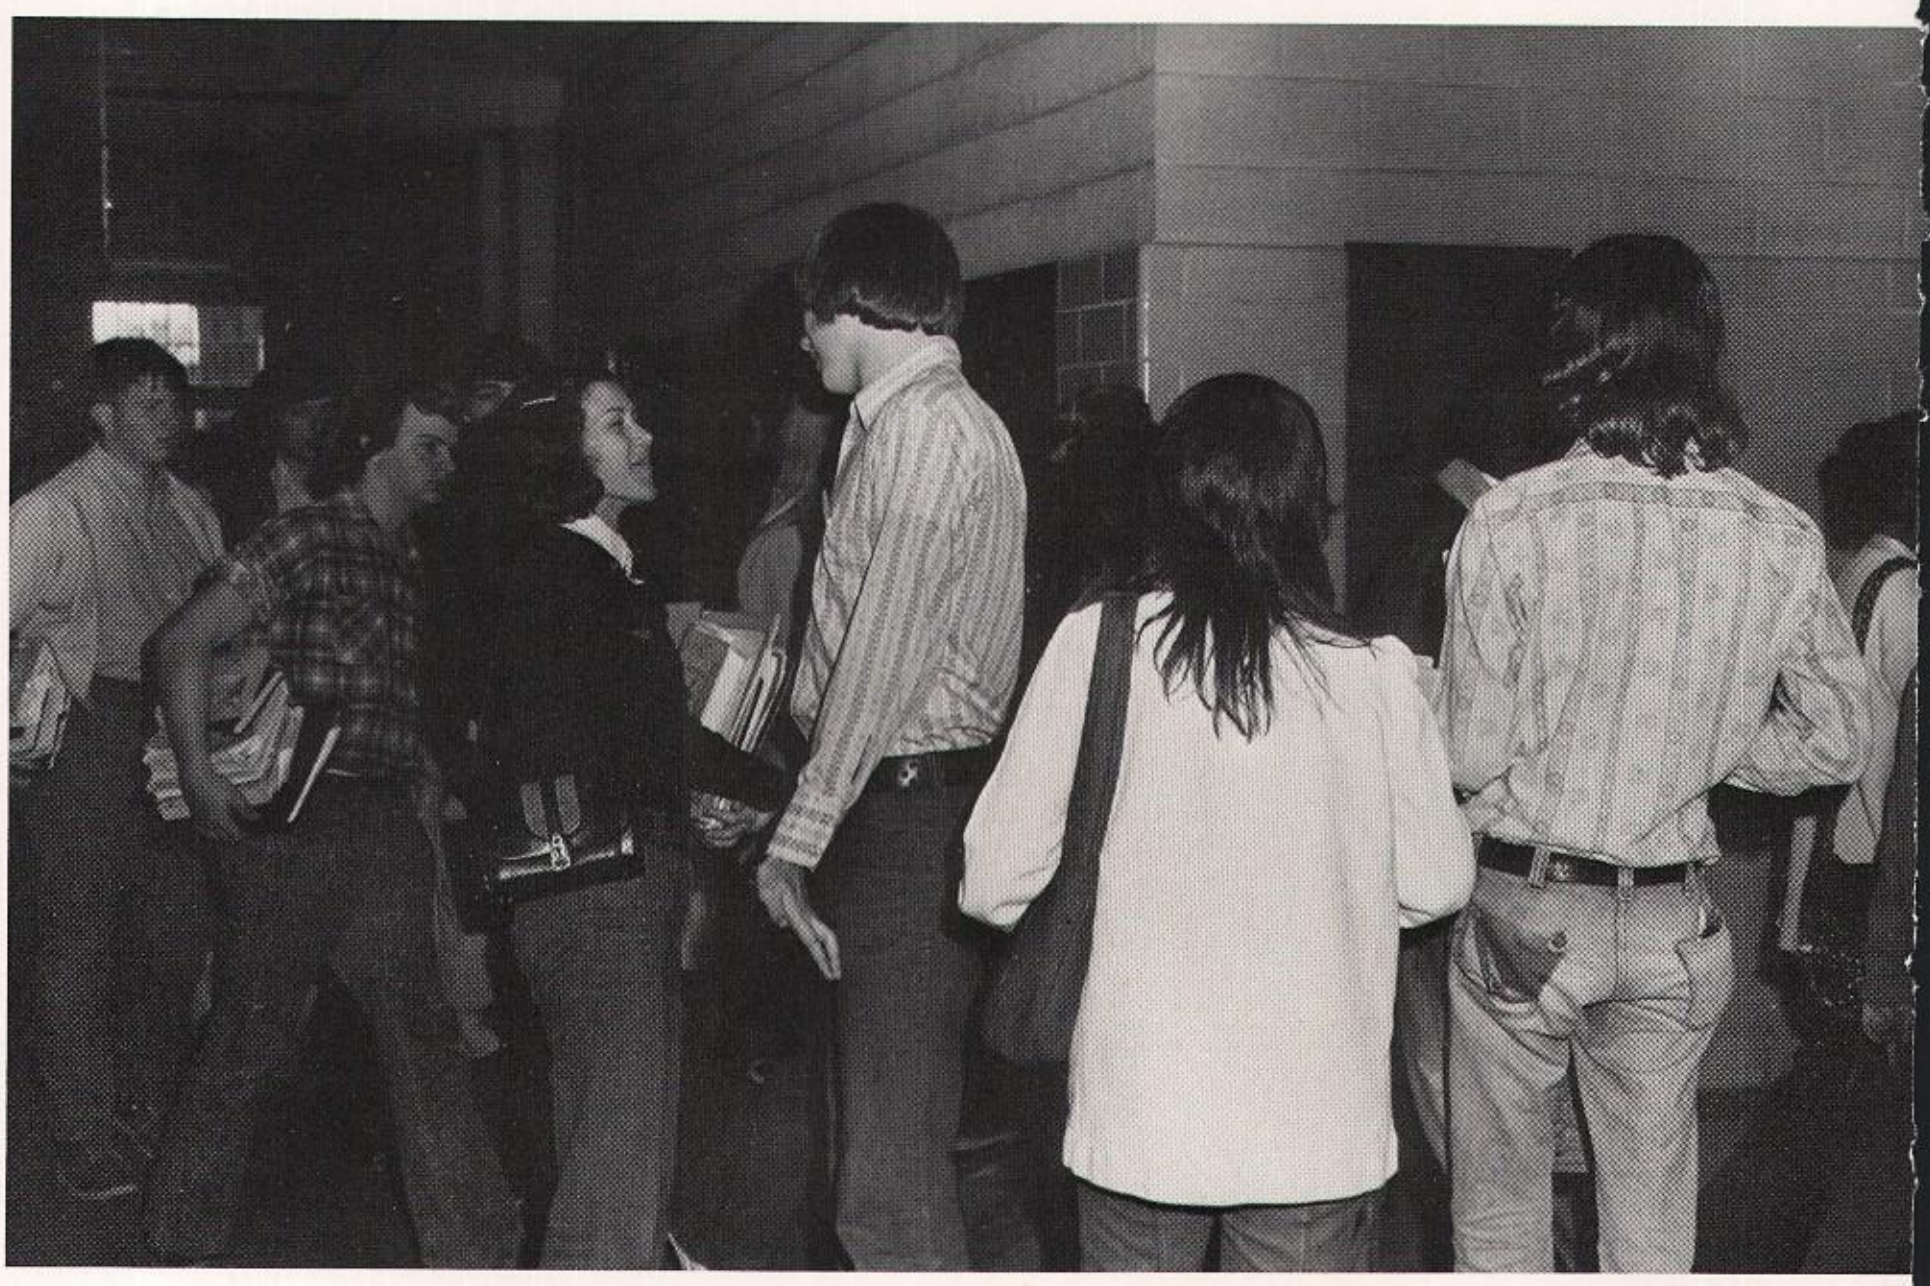
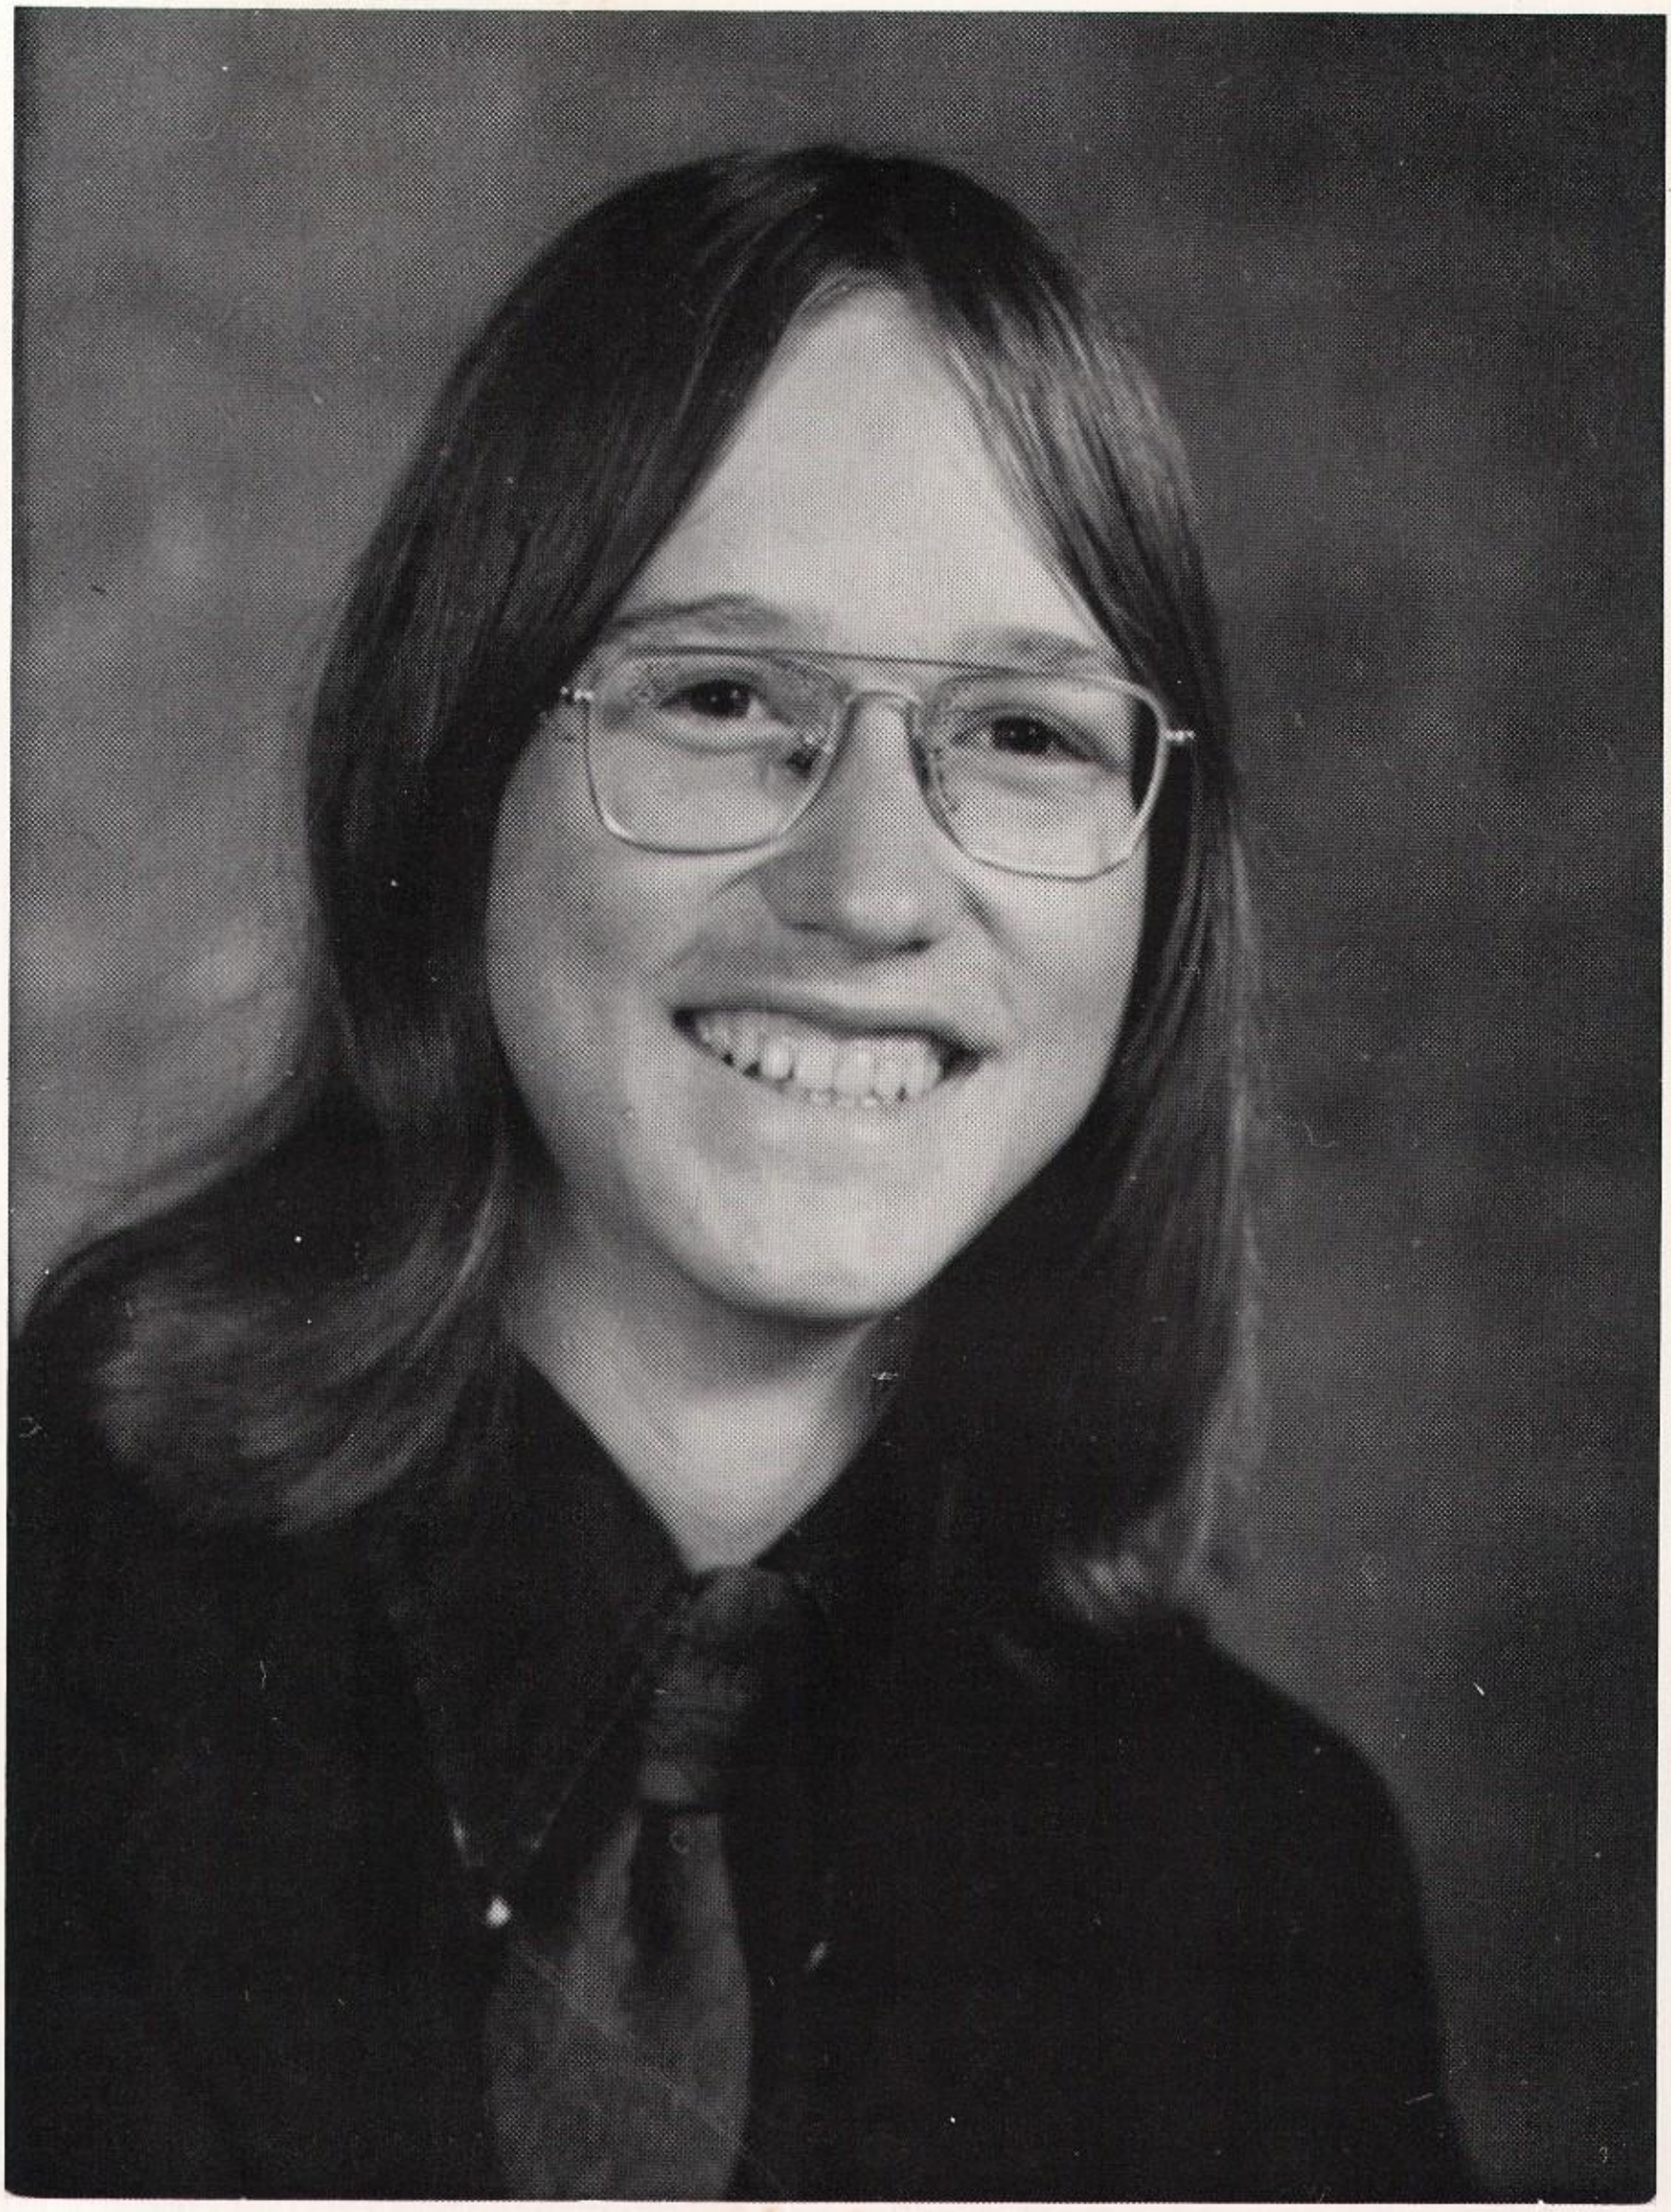
Amidst the construction of the new building, school with interruption progressed. The days flew for some, while for others they dragged along.

TIMEX



Looking back on this year, some remember the bad; others remember the good. Old traditions are passing, while new patterns are just beginning . . .

# *In Memory Of*



The Class of 1974 was deeply saddened by the tragic accident that took the life of a classmate, Robin Roberts. Robin came to Sylacauga High School in September 1971 from Ashdown, Arkansas. He earned his place both in school and among his classmates while he was a student here. The Class of 1974 and the SYHISCAN staff extend their heartfelt sympathy to his widow, Debbie, his little daughter, Robin, his parents, sisters, and brothers.
